-
- Jessica brought up that even though we are requiring each member to obtain a \$50.00 sponsor that we should go over and above that required amount. All funds will go directly into the awards fund.
 - It was asked that if we could adjust our start time on any rodeo that conflicts with the h/s. Discussed. We will follow up to confirm the dates for the h/s are set in stone. On the web they are still tentative. It was brought up that we had adjusted last year but did not draw one contestant from the h/s. We will post on the web as those rodeo get closer.
 - Kelli wanted to remind people all membership and entries must be online and paid online. If you have any issues please contact Kelli directly and she will be able to assist you.
 - Rodeo books will have a soft close ten days prior and a hard close two days before the draw will be posted. Those that chose the second entry will pay an additional \$20.00 fee.
